Great potential: Make the most of it!

Put your trust in an all-rounder and avoid unnecessary stress: Take advantage of the many copying, printing, scanning or faxing* possibilities on offer with the new A3 b/w multifunctional systems. Waste no time searching for important documents and keep track of all your print jobs, which are, of course, protected against unauthorised access.

Achieve maximum workplace convenience by further optimising your system with optional hardware and software functions that meet your individual requirements exactly. Make the most of it!

Your benefits:

Intelligent paper management: Benefit from maximum flexibility thanks to a paper capacity of up to 7,150 sheets from six paper feeds*. Various paper types, tab sheets, special formats up to A3+, banner paper and paper weights up to 300 g/m² are no problem at all. Successful presentations, handouts and brochures are a piece of cake thanks to the finishing* options.

Customised functions: It is easy to integrate optional software solutions for scanning, productivity, security and archiving using the HyPAS interface – all in exact accordance with your individual needs. Additional solutions for Follow-Me-Printing* in the network or creating text-searchable documents* when scanning help you save time and effort.

Create documents fast: Very short warm-up times and output of the first copy after 4.7/3.8/3.2 seconds (3555i/4555i/5555i), high-speed output of up to 55 A4 pages per minute or up to 27 A3 pages per minute (5555i), and 100% duplex productivity ensure fast results, meeting the deadline.

Protect the environment: Reduce energy consumption by using 'Deep Sleep' mode and only activate the functions you really need. Good for the environment and your budget.
